

## Adeline Gould

March 10, 1926 - January 18, 2022

Gould, Adeline (Levenson)

Age 95 of St. Louis Park, she died peacefully on January 18. Grandma Addie lived out her life on her terms, living independently until finally going to the hospital a few days before her death.

Born in St. Paul on March 10, 1926, she never forgot her East Side roots despite living in St. Louis Park for over 70 years. She touched countless people throughout her life, keeping a low profile in the process. Addie had a full career working full-time as a secretary, raised three children, and volunteered on numerous causes. Even in retirement she still volunteered her time at a St. Louis Park elementary school helping children with their reading skills.

She is adored by the three generations she leaves behind and will be greatly missed at family dinners and the get togethers when the family out of towners come in for a visit. Addie's cognitive abilities never failed her and she knew what every child, grandchild, and great-grandchild was up to. Furthermore, if someone in the family was stumped trying to recall a certain detail Grandma uncannily was able to come up with the answer.

Preceded in death by her parents, David and Pauline, sisters Pearl and Minnie, brother Irving, and her husband of 51 years, Melvin. Addie is survived by her children Jay (Sherri), Judy (Andy) and Bonnie, her grandchildren Abby (Seth), Ross (Emily), Mollie (Danny), Marc (Hannah) and Liza, and her great-grandchildren Ace, Bari, Wesley and Jordan who will all miss her more than

words can state.
