“ Dear Julie, family and friends of Ado,
Our heart breaks for what you are going thru.
Such a shock and tragedy that has turned
your world upside down.
We are so sorry.

Ado was a kind hearted man who always had kind words and a big smile with a helping spirit whenever we saw him. He was truly a gift from the Universe!

Although Ado's physical presence will be acutely missed, his Spirit will live on forever in the hearts and souls of his dearly beloved family and friends. We will never forget him.

“ I met Ado at McCoys, late 2005, early 2006 I believe it was, where I was an assistant Manager. He worked very hard in the kitchen, and moved up the ranks to sous Chef. He would confide in me on the position, and we became friends. I found him to be so genuine, so honest, and ready to do anything for anyone! When I say 'ready' I mean it was not in his nature to say no. He was also so in love with his wife, who I believe was his girlfriend back then. I was a bit lonely having moved from Los Angeles, and he invited me to family gatherings. Such a beautiful person, and tremendous spirit. I'd watch from afar on Facebook seeing his life's adventures, so proud of the man and father he had become. Much love to his family and other friends, as he touched so many of our lives!

“ Julie and family- You are on my heart and in my prayers. Please let me help you navigate this if I can answer any questions, comfort &/or guide you in any way from my similar unfortunate experience. Blessed be the God and Father of our Lord Jesus Christ, the Father of mercies and God of all comfort, who comforts us in all our tribulation, that we may be able to comfort those who are in any trouble, with the comfort with which we ourselves are comforted by God.” Sincerely , Mary Sasseville Sullivan aka Natalie’s Mom
