“ Thinking of your Mom means remembering biennial trips from Texas to Brainerd and Mpls.; she and my Mom laughing hysterically as they would dig through Aunt Agnes' fabric stash; her ability to sew perfect copies of designer jeans for her girls; picnics at Lum Park. Jim and I will always be grateful that your Mom and Dad opened their home to us as we searched for an apt. in St.Paul. We so enjoyed visiting with her on our trip back to MN a few years ago--once again, her laughter was contagious. Thank you, Pat, for keeping us informed these past weeks. Our condolences to all you girls and your families. Aunt Agnes and all of you are in our prayers.

"Eternal rest grant unto her, O Lord....may your perpetual light shine upon her."

“ Thank you so much for letting us know of your mom's passing. We all send our thoughts and prayers your way. Unfortunately living so far away, we were lucky to visit with our aunts, uncles & cousins only once a year when we would take our yearly trip to Minnesota. Even so, we only have good memories of Aunt Agnes. Dad (Ed) thought the world of your mom. I am sorry we won't be at the funeral service, but we will be thinking of all of you. All our love.
