“ I am in complete shock right now to hear of your passing. You are by far one of the greatest women I know. Always listened and gave great advice and so so real. I remember times when I was at my breaking point and you always said the right things even tho you knew it was so wrong lol. A great mom and grandmother. Forever rest in paradise.

“ I am so sorry to hear of the passing of Agnes. Please accept my condolences.
At times like these I am assured of what God says at Psalms 34:18 when he says he is near to those brokenhearted. Cherish the memories of Agnes in your heart and keep them close.
