“ *Barb, Russ, Rick, Jane - your mom was so lovely, inside and out. I remember her always being so thoughtful, putting others ahead of herself. There was a particular time when I was just a little girl that she came out of her way just to bless me. I was undone, and the impact of her kindness has never left me. She had a servant heart, never looking for a reward, but I'm sure she's receiving many rewards now in the Presence of her King. You are all in my thoughts and prayers. With love, Debbie Davis*
