“ Aina you will be greatly missed, I wish I would of told you how much you have impacted my life, well I should say how much you impacted my mothers life. If it were not for your guidance and friendship towards my mother I would not be here. I'm truly grateful for all that you have given in this world. Love you forever see you in heaven

“ Aina, my Aina.. So many years and so many good times. Chicago at your folk's cabin. Key West with Dana. Running around , shopping, eating at restaurants. Laughing hysterically. You were at my wedding. I was at yours. You flew home from Florida when I lost Rose . You were at the hospital when I gave birth to Grace. I know that you are in a much better place and I look forward to laughing with you again. I miss you.
