“ *One of the first times I met Al, we were all at the Forest Lake ice fishing contest. I don't remember the conversation that was taking place, but all of a sudden, Al drops down on all fours and sticks his face in his ice hole!! He proceeded to shake his head back and forth while still submerged, making motor boat noises. WTH I thought. What kind of friends does this boyfriend (Geno) have?? Needless to say, that was just the beginning of the Aldoms. Love you!*
