“ All of us at United Airlines who knew Alan or had the privilege of flying with him were so fortunate and blessed to be in his presence. He was a gifted pilot, leader and instructor and he will be greatly missed. His gentleness, calmness, professionalism, and love of flying made him a "pilot's" pilot. More importantly, he was an even better person. My deepest sympathy and condolences to his family. He loved you all so very much and was so proud of all of you.

“ Our condolences to Alan's family! We lovingly remember growing up in Whittier with the Coles family and then to meet Alan again later in life as United Captains was a real blessing. While we share your grief, we look forward to that great reunion with our Lord and Savior Jesus Christ and those that have passed into His presence before.
