“Kirstin, there are no words that can express my sorrow. I wish I could be there to console you and hug you and give you strength. You have the greatest support system that God has given us - your family and friends. Know that you will never be alone. You have your beautiful daughters - they will be your heart and your peace. I love you my dearest friend. "Death leaves a heartache no one can heal, love leaves a memory no one can steal." ~From a headstone in Ireland
