“ Dearest Cindi and family of Alan,

We were so sorry to hear this sad news. Alan was a good friend to everyone who knew him and his light shone brightly all the time. We will definitely miss his contagious smile at the racquetball/squash courts. Prayers and thoughts are with you all during this sad time.

Much love,
Thérèse Zadnik-Klecker

“ Sending my sincere sympathy to Cindi, close friends, family, and extended FB friends and FB family. I will miss the wonderful stories when you were in charge while momma was away. May you rest in peace and smile down on your earthly family and friends. May Cindi be comforted by the wonderful memories of the life you shared. 🌹
