“ *Dear Shelby and family, We're shocked and heartbroken to hear Albert's tragic news. Although we've never met him in person, from Shelby's sharing over the years, Albert is this sunny, talented, hard working role model big brother to our kids, and we were so proud to hear each of his music production. There is no words can describe how sad the world is without him, this is no words can ease the pain. When the night gets too dark and when you feel hopeless, look at the sky, Albert is the brightest star shining at you forever and ever and will never leave you. Love from Kitty, Zheng Yu, Teddy and Toby*
