“ I will remember Al for his kindness and sense of humor. One of my best memories was our grade school basketball trip to Chicago. We pretty much got our butts kicked (they could play ball in Chi-town) but had a great time and I still remember Home Run Pizza!

“ Al was a wonderful friend Donna and I will always treasure our trip to Chicago to see "Billy Elliot". Al and Virginia were always there to lend a helping hand and give words of encouragement. I will treasure the conversations we had over coffee at the community center. His knowledge and world awareness was amazing. we will greatly miss Al.

Rest in peace my friend.
