“ I always enjoyed a visit with Aleatrice. It makes me think of spending some time with her at the many Johnson reunions. My sympathy to all her family

“ So many memories from @20 years with Lea at our beloved swimming pool! She is so missed by all of us. Still remember when Kim and her family came too years ago. Lea and I also served on the Pool/Recreation Committee together, making sure our valuable asset was well cared for. I'll think of her often on my regular visits.
