“ I remember your dad through the years as a gentle man. He had such a fun laugh and sweet expressions. Not a man who talked a lot but it was nice when a conversation did take off. I remember he loved to cook and his love for sauerkraut. He even made his own sauerkraut in that gigantic crock. He was a nice man and I enjoyed visiting with him. I will miss seeing him but know that he is in a better place now. I am thankful that I knew him. Wishing you well Colleen and Julianna. Take care, Theresa Jensen & family
