“ So sad that Alex has passed. I know that he loved his kids so much and he had such a good sense of humor. He will be so missed by my family and my sister, Lauren and niece Wren who loved him so very much. I have a cute memory of him from last Halloween when I brought an owl costume for him to wear and of course he put it right on and made his kids laugh and went trick or treating. We will never forget you, Alex.
