“ We had the privilege to know Al (and Donna for a short time) sine we moved in across the street. Al was a wonderful man and every time we needed advice on how to fix something Al was always ready to share his wisdom. He always had a story and I loved his laugh. This summer my cousin was here with his race car and the two of them hit it off. I told Pete of Al's passing and the first thing he said was " His wife is sure glad to see him. He missed her real bad" He will be greatly missed. Our love and prayers to all of his family.
