“ Alice and Norm were my godparents. I remember Alice as always being so friendly, nice and caring. Her and Norm would always make sure to remember me on my birthday and would always bring me a birthday gift. My thoughts and prayers are with you all.

“ My thoughts and prayers are with you!!

I also remember the great meals! I also will always cherish the times I was able to go with your family on vacations to “help with the kids.” And all the times I spent staying with Norm and Alice during the summers. I remember several times taking the Grey Hound bus down to Anoka where I was picked up by Norm and Alice would have a great meal for us that evening!

To this day I love piano music.....and Alice could play that piano like no other, she was a joy to listen to her as she pounded away on those ivory keys! I loved that!

Alice had a great gift for conversation and I remember listening with great concentration while she told us stories of her days as a teacher....I remember thinking how lucky those children were to have a great teacher like Alice and how lucky my nephews, Steven and Mark and my niece, Michelle were to have Alice for a mom!!

Love you all so much!

“ Steven, Michelle, Mark and family-

Your mom was a very sweet, kind, spirit and always will be in your hearts. Aunt Alice was the best cook and ALWAYS made sure I was fed when I came to visit her home. My thoughts and prayers are with all of you at this time!

“ Steven, Michelle and Mark,
My prayers and thoughts are with you as you say good bye to the sweet woman you are all lucky enough to call "mom"! My most heart warming thought is this ... your mother was the best cook EVER - I can't even begin to count the number of fantastic meals we ate first only as a couple and then as a family over the years at your kitchen table! Family gatherings and holidays were made all that much more special with her cooking! I will miss Alice as a friend and as a sister-in-law. You are grieving her as mommy -- a much deeper loss. Prayers. Peace. Hugs.
With love, Aunt Marcia
