“ *To the Bob and the family of Alice Berres,
It is with great sadness that I learned of the passing of my sister-in-law Alice. Alice was a major positive factor in the lives of our family. Many celebrations were held at each other's home, including Grandpa & Grandma Domeier. Visits to the farm were anticipated with great excitement. Mamy memorys are stored away in the back of my mind.*

*Our prayers are with you all,
God Bless all,

“ *Bob, Sr., please know I am praying for you and Alice. I wish I could be with you to talk and share and listen. I have a flashback again: remember when we traveled together through Ireland in 1986? You, Alice, Donna and I were walking about and Alice stepped into the street to cross and you cautioned her in a stern voice, "Get back on the sidewalk, woman; I'm not finished with you yet!" Always remember, Bob, death takes a loved one from us, but we never have to give up the memories. And, with Alice, beautiful memories will go on and on. My love and hug to you, Bob. Jerry*
