

Alice May Eckberg

November 26, 1927 - December 30, 2020

Eckberg, Alice M. Alice M. Eckberg passed away on December 30, 2020, at her home. Born to Joseph and Selma Fisher on November 26, 1927 in MPLS, Alice recently celebrated her 93rd birthday. She resided in MN her entire life and attended schools in MPLS. Alice married Lyle Eckberg in 1947, and they chose Robbinsdale to raise their two children. Lyle passed away in 2002 and Alice moved to Brooklyn Park to be near her only sibling and life-long best friend, Irene. Alice is survived by her children, Nancy (Gary) Richard of Burnsville and Wayne (Gloria) Eckberg of Hackensack. She has three grandchildren and three great-grandchildren. Alice had a very outgoing and feisty personality with a somewhat dry sense of humor and a wonderful ability to find the positive in almost any situation. Alice was the first "mom" in the neighborhood to drive a 1956 three tone Dodge Royal with a "stick shift." She was a life-long performing pianist, loved and created fine jewelry, and travelled extensively throughout the world with her husband Lyle. Alice was an active member of the League of Women Voters. Her love of people, sense of humor, and sparkling personality will be missed by many. Memorial services will be arranged at a later date.
