

## Alice Marie Fitzgerald

October 25, 1922 - July 5, 2011

Age 88 Of Roseville Passed away peacefully on July 5th, 2011 in her daughter's home. She was ready to join her loving husband of 62 years, Michael (7-29-09). She was also preceded in death by two siblings. Alice's only surviving sibling, Katie Birk of Gulf Shores, AL, visited her in her final days. She lived surrounded by the love of her six children; Stephen (Gloria) Fitzgerald, Tucson AZ, Anne (Gary) Kinowski, Milwaukee WI, Christine (Fred) Barlow, Torrance CA, John (Angel) Fitzgerald, Centerville MN, Peggy (Tony) Honkomp and Catherine (Jim) Harrington, both of Mounds View, MN, and 19 grandchildren, and 17 great-grandchildren, nieces, nephews other family and friends. Most importantly, the family will remember her love of life, amazing positive attitude, and appreciation for the little things (like the beauty of a red cardinal). She loved the color red-bold and beautiful! The family will wear red to honor her at the Mass of Christian Burial, Friday (July 29th) at 10:30 AM with a gathering from 9:30-10:30 AM at ST. ODILIA CATHOLIC CHURCH, 3495 N. Victoria Ave., Shoreview. Interment Ft. Snelling. Memories and reminders of this marvelous lady will surround those she touched forever. Her family feels they are definitely better people for having had her in their lives. May she rest in peace. (The family prefers memorials in lieu of flowers.)
