“ Ron and family, This is Kathy Roberts from Fulton/Lake Harriet (Upper Campus)I am very sad to read about Alice's passing. I know she was the love of your life and a wonderful partner. I have so many fond memories of her working with the great students at LH. I think at one point we called the kids "WINGS" students: which meant Working into Natural Group Settings. Ron, I have many great memories of working and visiting with you as you always did your best to keep our school in "tip top" shape. My best wishes to you and your family at this time of loss.
