“ Hi grandma, it's faleasha. I want u to know how much u are loved and will be missed. It still doesn't seem real. I find myself waiting for u to call but then I have to remind myself that you're not going to. I'm happy that you are in a much better place now. You are free of everything. No pain,no worries. Just happiness. God has a new angel now. U will always be my angel. I love you grandma. This isn't really goodbye. Its more like I will see you later. ??

“ Hi Grandma its Stacie its so hard to be sitting here writing this letter to you, we all miss you dearly,I know I was so naïve as to think you would always be here with us as you always have been. I am so grateful to have the time I have had spent with you. thinking back to last Saturday when you had mentioned how much you wanted to go fishing and you prayed for grandpa Ray every night to have a huge pond to fish at, well I hope you are sitting right next to him with the sun on your face and a bucket full of sunfish. I am so happy for you to be reunited with your soulmate tell grandpa we all love and miss him too, you are in Gods hands now the best place to be you will never feel an ounce of pain every again. I know scooter is so happy to see your smiling face one again. I LOVE YOU ALWAYS GRANDMA I WILL SEE YOU AGAIN SOMEDAY.
