

Alice Belle Woods

February 12, 1927 - January 7, 2022

Alice Woods (nee Flatt)

Born February 12, 1927, Alice passed away on January 7, 2022 at the age of 94. Survived by her children, Ann (Rick) McCullum, Kay (John) Hagen, Jean (Mark) Briggs; grandchildren Coni, Shari, Cliff, Tina, Terri; great-grandchildren Jake, Brady, Abram, Max, Alec, Claire, Finn, and Mikko. Preceded in death by her husband, Chris and granddaughter Debra. Chris and Alice were married in 1946 at Rapid City, S.D. and lived in many locations until finally settling down in Edina, Minnesota. Private family services will be held at Washburn-McReavy in Edina. Interment at Fort Snelling. Memorials may be sent to Good Samaritan United Methodist Church in Edina, MN.

Alice Woods was a loving and caring wife and mother. She moved with Chris fifteen times in twenty years, following her civil engineer husband to Texas, Alabama, Tennessee, Michigan, Arkansas, and finally to Edina, Minnesota, many times with little notice. She made each move an adventure for her girls.

Alice was a Girl Scout Leader and a Sunday School teacher, but most of all she was a role model for us. She sewed our clothes, made fantastic cookies, baked birthday angel food cakes, and always made Christmas and birthdays special, wrapping the gifts in multiple boxes for our enjoyment. She taught us routine by house cleaning on Saturday morning, wash on Monday, ironing on

Tuesday, groceries on Friday. She was our cheer leader and will be greatly missed. Her goal in life was to have her children and grandchildren attend college. And they all did.

Alice's hobbies were golf, bridge, bowling, knitting (making prayer shawls and scarfs for church), and reading.

Thanks Mom for always being there for us.

SO

“ Dear Family,

I so enjoyed any time I had the privilege of spending with Alice. I first got to know her at "Good Sam's Knitting and Sewing Group." She was fun to be around as she was positive, fast to compliment, laughed easily and often made the tea. I also had the pleasure of visiting both Alice and Chris at their Edina Condo one time enjoying good conversation. Alice was so vibrant and capable. I once asked her a few years ago if she'd like to go to the knitting group and said I could pick her up. She said, well I drive so I wouldn't need a ride. I responded then maybe you could pick me up.

She spoke so lovingly of her family and treasured time spent with all of you.

May all your good memories of times and conversations together bring you happiness and joy.

Sincerely,

Sue Ohman
