“ *What can I say daughter other than I love you so very much and miss you. The grief is so deep and a nightmare I want to wake up from. You gave me to wonderful grandchildren that I can hold and love. I know each time I do, I'll be holding and loving you again also. Your death is way to soon and you remember your grandmother Jeanette. She loved you so much. I remember her sayng when we lost my brother Dean, that the worst pain for a parent is to outlive your children. I now know how true. Take care my Angel and know I'll keep good watch over Tommy, Mac and Lukas.*

I love you.....

“ You have more than earned your angel wings by being a great mother, a wonderful daughter, a great life partner and in maintaining wonderful friends. Take those angel wings and wear the proudly as you watch over your beautiful children Mackenzie and Lucas in the years to come. If they look at the stars in sky. you will be there.

“ *I have known AI for many years and was even becoming closer to her the past couple years as I realized what an amazing and fun woman she was and that I couldn't wait to spend more time with her. Little House Weekend will just not be the same. Thursday bowling won't be nearly as fun and spirited not seeing her beautiful smile and bouncing energy. You will be missed, Lady.*
