“ My earliest memories as a child(let's not get into my memory now @ 72) are of Alan, Myne,Roe, grandma,and of course, Johnny. With Johnny being so Mellow, and the women, it's no wonder Allan turned out to be one of the sweetest guys you will ever meet. For me, about 65 years. I always went to Pacer early so I could spend a little time with the two of you, catching up. There are very few real Mentch's left in my life and Alan's loss will be felt by me and many others for a long, long time. I'm so sorry.
