“ I will never forget how fun loving he was as the neighbor to my husbands family. He was always so fun and funny and him and Deb always seemed so in tune with each other as a couple and I loved that! But my favorite thing he used to say was “f f f fuckin Bunky!” It always made me crack up. He definitely will be missed as it sounds as though he left an impression on everyone! Xoxo. “ I worked with Allen at the TSA. We both shared a love of 70's rock and roll music and Harley Davidson motorcycles and often talked about them. He had a great sense of humor. Hanging with Al always made my day fun and my shift go by a little quicker. The world is a lesser place without him. So very sorry for your loss.....

“ I worked with Allan at Amazon and was impressed with his intelligence and kindness. Allan was smart and funny and a visionary. He looked at everything with a critical eye not to criticize but to make things better. Allan became a very good friend and so did his beautiful wife Deb. I will always cherish knowing an individual like Allan and I will miss him very much .

“ *Deb, I don't even know where to begin...Allan had one of the most kind and loving spirts of anyone I have meet. He was a true Mason through and through. He will be sadly missed at this years Conference and all to follow. MMCI was truly a better organization purely by his membership. Ride strong and hard and always Keep the Shiny Side Up!!!! Love, hugs and prayers your entire Masonic Motorcycle Club International Family*
