“ I only knew Allen for about 7 years but while we were up in WI fishing the Fortseth family would get together for a big supper they all are great people and make you feel like family and I really like talking to Allen he made you feel like we grew up together. He is definitely going to be missed at the big supper but never forgotten. My thoughts and prayers go out to the whole family.

I am so sorry to learn of Al's passing! We were Pals in Spooner High School, as were our Sisters. Then AL and I were room mates for two years while attending Superior State College. Al was smarter than I was and he would go out partying on Thursday nights while I stayed home and Studied. He always had a great sense of humor! I heard of his Cancer and we communicated a few times since. I'm sorry I couldn't make it to the Funeral. I don't like to travel at my age, but I was there in Spirit. I'll see you "Up There" if I get there?
