“ Diane, Jim, Zach, Nick, & Kayla, We were sad to hear about Al. We will always remember Al as the proud E.P. football & basketball grandpa. He loved helping with coaching the boys years ago. Everyone knew he was Nick's grandpa, but he loved all our boys and cheered for them all. Stay strong and rely on your faith to get you through these tough days. You are all in our prayers. Sincerely,
The Ewen Family~~Dave, Kimberly, Dan, Emily, & Anna

“ Our warmest thoughts and prayers are with all the family. We have the fondest memories of Al and he will forever be a part of our lives. From cruisin' in the red car, farkle games, horseshoes, HTP's and popsicles in the front yard, there was never a moment without laughter, smiles, jokes and down to earth good ol' fun. His smile was something special and always conveyed the warmth in his heart. We were blessed to have a neighbor that enriched our lives so much and in so many ways. We will never forget those wonderful times....love from us all. The Moon's - HJREdina, MN

“ Dear Family - I remember Al as a very kind and gentle soul who had a great sense of humor. He was a good, loyal and devoted friend to my own dad (Sheldon Levin) from the time they were teens. I recall many memories of him and my dad sharing many jokes and lots of laughter. My dad loved him like a brother. I'm so blessed to have known him and your family and thankful for the great childhood memories of hearing his jolly laughter in the background as we enjoyed your moms' sloppy-joes and played many games in your basement. He will be missed and I love you guys. You are in my prayers...with much love, Wendy Levin

“ It is with great sadness that I received the news this morning that Al has passed away. My maiden name was Peterson so Al and I were in homeroom all four years in high school. We got to know one another fairly well, and I always liked him---always friendly to everyone and he always had such a nice smile too. On Fridays, I went to the football games and then most of us went to Fournier's Ballroom on First Avenue to dance on the sunken, wooden dance floor (the place was built in 1900)--good times! I know I join other classmates in sending you our kind thoughts and prayers as you go through these difficult days. God Bless! Judy Peterson Hunteraka
