“ *David, We are picturing Allison walking along with Chester at her side down a sunlit country lane on their way to a cozy cottage in the woods. May they have a nice rest before the fireplace until we are able to join them again. Our deepest sympathies to you, your family, Allison's mother, stepfather, brother and family. “ I can't believe Allison is gone! We had lost touch, but I looked for her frequently on Facebook to try to reconnect! We had some great times together, like our Chicago trip. She always had great lines, like when her mom told us that to attract a boyfriend you need to wear blue eyeshadow, and lipstick ALWAYS! Allison, you will be missed more than you know!
