“ So sorry to hear of this loss...Alma you will be missed so much. You always made me laugh when I would see you in church and we would stop to visit....Rest in peace my friend and my sympathy and prayers to you and your family.....

“ I was saddened by the news of Alma's passing. I treasured our small chats about she was doing when I would see her before mass. Alma was a unique woman and many of you would be surprised to have known that she actually was the majorette in the first Aquatennial parade, she was so proud to have had that honor. She loved her husband and missed him terribly after his passing and she adored her children.
Well Alma, God bless you as you return to the Father and rejoin your husband and your deceased daughter.
