“ *I worked for Alton and Barb at Charlie's A&W for 4 summers. I have such fond memories of Alton's kindness and humor. "Here, run these root beers out there like a herd of turtles!" he'd chide when we weren't moving fast enough. He was a long-time close family friend, so we continued to enjoy his company and will miss him. Here is a high school photo, a wedding photo and some photos of him at Charlie's.*
