“ Marge and Jim, my sympathies in your loss. Your mom and I worked together as secretaries at General Mills Chemicals and Henkel a long time ago (1960s-1980s) and, of course, continued our friendship through the Henkel Brunches (2017 photo is attached). We shared lots of fun times and also shared in the struggles going from "old" typewriters to word processing technologies -- oh, the struggles we had!! We'll all miss your mom and her quick smile.
