“ To everyone who attended Mom's visitation and funeral service, thank you so much for your caring and kind words of sympathy. We were overwhelmed at the outpouring of love and support shown to us during this difficult time. We know how special she was to us and it is very gratifying to know how special she was to all of you, too. We know Mom would have wanted to thank you for your cards, letters, calls and visits during the past year. Please continue to pray for our Dad (Rodger) and for us as we grieve. God bless you.

“ I shall miss my friend and neighbor of 18 years. Rodger and Amy were always there to help me when I asked and I in turn was happy to help them. I miss joking with them and giving them both a hard time. Her faith was always with her, and now her pain is over.
