

Amy Mary Johnson

May 20, 1954 - April 5, 2024

Amy Mary Johnson passed away on April 5, 2024 at the age of 69 in Edina, Minnesota. Amy is preceded in death by her father Howard E. Johnson, her mother Mary Jean (Hughes) Johnson, and her partner Jim Pilarski. She is survived by her daughter, Kristin Johnson; siblings Grant (Susan), Martha, Phil (Linda), Seth (Cecily), and Sarah (Morrie) Skoglund; and many nieces and nephews.

Amy was well respected for her work in IT, beginning her career when few women were in the industry. She was bold, business savvy, and a stalwart leader to her staff. She was intelligent, dedicated, and exceptional in her many eclectic interests: viola and piano, ballroom dancing, knitting, scrapbooking and making homemade Christmas candies. She loved year-round weekends at her cabin, attending the MN State Fair and reading a book a day in her beloved Mazatlán, Mexico where she learned and taught Spanish.

Amy's greatest pride was raising a fiercely independent daughter, with whom she shared a deeply devoted bond. She brought joy to everyone she met and was full of gratitude for her life until the very end.

“ Amy was "one of a kind", a amazing woman. I met her and Jim in the late 70's while working in technology. We remained friends throughout the remainder of her life. During our working careers she worked for me and later I ended up working for her then later sharing contracting jobs. She was very hard working, thorough, dedicated, intelligent and the fastest keyboarder I have ever seen. May she rest in peace..
