“ I had the fortune to work with Amy at Healthpartners. She was truly an inspiration and I was constantly impressed by the strength and resilience she displayed while fighting her battle with cancer. She was the epitome of professionalism and we have lost a role model and wonderful colleague. Prayers to her family. Veronica

“ I knew Amy in high school. She was talented and self-assured — a beautiful dancer. To her husband, friends and other family, I'm sad to learn of her illness and passing but delighted to read in her obituary about all the things she enjoyed in life. It sounds as if she lived it well.
