Amy Malvin, age 57 of Ham Lake, passed away 11/25/16. Preceded in death by father Melvin, step-father Jim, and brother Kenny. Survived by husband of 30 years, Jim; children Katie, Emily, and Nick; mother Ellie; siblings Tom, Rita, and Konja; and many other relatives and friends. Memorial Visitation Wednesday, 11/30/16, from 4-7 PM at Washburn-McReavy Coon Rapids Chapel, 1827 Coon Rapids Blvd. Memorial Service Thursday, 12/1/16, at 11 AM with visitation one hour prior at Glen Cary Lutheran Church, 15531 Central Ave NE, Ham Lake MN.

After nearly 14 years battling breast cancer and a short bout with leukemia my mom passed away on Friday, November 25th. As a family, sitting beside her bed we said our goodbyes. She was not struggling or in any pain and passed quickly.

My mom was an extraordinary person who will be greatly missed. She was an inspiration to many and it was amazing to see how much and how quickly she touched everyone she met. After fighting such a long and hard battle she was deservedly tired. She made us all who we are today and we hope we can be as strong as she was as we try to make sense of and get through this difficult time. Our family is taking comfort knowing she is no longer in pain and that she can finally rest. She fought for years for her family - never complaining, always positive, and so thankful for each day she had. We've promised her

that we will stick together, get through this, and continue our lives.

Thank you to all of our amazing family and friends who have supported my mom and our family over the years and continue to support us now.

- Katie, Emily, Nick and Jim

“ *Our Deepest Sympathy to all of Amy's Family. We heard a lot about Amy and her Family and how proud she was of all of them through her Mom Ellie. Amy was a strong woman who fought this battle hard. “ *My auntie has been a mom away from mom for me at the times i needed a lift in life. Always listened, loved, and never judged. Years ago I gave her the name "Rock Star Auntie" and it kept with her all through those fighting years. She thrived through it all- so amazingly strong. She said she was blessed but we all are as well....blessed that she battled through some tough times. And as they say, this is not goodbye but see you later auntie- you are pain-free and that makes me so, so happy. Cheers to you, your love, and your laughter. Love you!*

“ Just as she is smiling in the above picture, we always will remember Amy with a big smile on her face while she was at the beloved cabin on Lake Vermilion. We couldn't have asked for better neighbors at the lake. We will treasure Amy's friendship along with memories of her. She is truly one of God's special angels now. Daryl & Cheryl

“ Amy and I were instant friends when we met through our jobs even though we were across the country from each other, she at Land 'O Lakes and me at Frito Lay/Dallas. Amy was one of the most genuine, caring, loving people I have had the pleasure to know. She talked with pride about her children and Jim. We shared "war stories" (Amy never complained, never asked "why me") and she was a huge inspiration through my breast cancer battle last year. I certainly did not know Amy as well as most of her friends, but she was a blessing in my life. God bless her family and friends.
