"But those who hope in the Lord will renew their strength.

They will soar on wings like eagles;

they will run and not grow weary,

they will walk and not be faint." - Isaiah 40:31

Amy Dianna Schiffmann, age 32, of St. Louis Park, MN, passed peacefully into the arms of her Savior on June 9, 2025. Born in Minneapolis, Amy was a light in the lives of all who knew her-clever, vibrant, deeply kind, and full of undeniable strength.

She was preceded in death by her beloved father, Dane, and her cherished sister, Sarah. She is survived by her loving mother, Debbie; devoted sister, Katie; grandparents; and a wide circle of aunts, uncles, cousins, and dear friends who will carry her memory in their hearts forever.

Amy had a beautiful soul and radiant spirit. Her wit and sense of humor brought joy to many, though she would adamantly deny being funny. She was a voracious reader, a lover of theater and film, loved cooking, and was always willing to humor her sister with backyard performances in full costume when they were young. She had so many dreams left to fulfill-returning to Disney to

ride Buzz Lightyear, visiting the mystical stones of Craigh na Dun from Outlander, and eagerly awaiting Wicked: For Good.

Though her time here was far too short, Amy lived with passion, imagination, and an abiding love for the people and stories that filled her world.

Pneumonia ultimately led to the respiratory failure that claimed her body, but not her spirit. At last, her soul has been set free. We take comfort in the promise that she is now at peace, cradled in God's eternal love, reunited with those who went before her.

A memorial service celebrating Amy's life will be held on Saturday, June 21 at 11:00 AM at Washburn-McReavy Chapel, 1400 Mainstreet, Hopkins, MN 55343, with visitation beginning at 10:00 AM. A luncheon will follow.

If you wish to send flowers, the family kindly requests no lilies be included.

“ I have been working as a Nurse in Deutschland for Adults who also live and move via wheelchairs. I know that as a student together in school i always made sure to be respectful and help everyone move together, your presence in school was a big part of our class's identity. Amy how you shined in school, your life came further than you would ever think and helped my hands work for patients here. I wanted to comment that your foto is very beautiful as your place in heaven. I hope that your family is already welcoming you, walking together, enjoy the miracle of heaven.
