“ So sorry for your lose. I still remember all the times we spent in Mason City at junior college with you two. We had a pretty unique group of students that hung out together.

“ Dear Keith,

*Know that my heart and prayers are with you.*

*Your years of love and happiness with Amy are the most wonderful gift she gave to you!*

*May you rejoice in that gift as you work through the sorrow of your loss.*

*Although I cannot be there in person, I hope you can feel a tender, caring hug from me to console you.*
