

## Dre Curtis Fisher

May 24, 2001 - September 6, 2021

Dre Fisher, born May of 2001 - beloved son, brother, grandson, great-grandson, nephew, cousin, and friend - died unexpectedly on September 6, 2021 following complications of an asthma attack. Dre lived in the moment and was always up to an adventure. He enjoyed camping and fishing. He was curious about how things worked. He would take watches, motors, and bikes apart so he could learn how to put them back together. Although, these projects often left a mess.

Dre's final job was as a caregiver at a senior facility which was fitting for him. Dre was tender-hearted and sensitive to other peoples' emotions. His love language was gifts. Even as a child if he sensed sadness or anger he would find something to gift you. For the seniors he cared for he gave them the gift of his attention. He said he didn't want them to feel lonely.

Dre had quite the imagination and was a great story teller. He was also passionate about all things superheroes, Flash being his favorite. Dre was his mom's silly-goose.
