

## Andrea Marie Hilsen

October 6, 1959 - March 16, 2021

Hilsen, Andrea Marie "Andy" 61, passed over on Tuesday March 16, 2021 while receiving hospice care in her sister and brothers- in-law home. Andy faced her cancer diagnosis from a month before bravely and with humor. She was preceded in death by her parents, Dick and Violet Hilsen, and brother Ben Hilsen. She leaves behind sister-in-law, Susan Jennelly (Ben); sister, Holly Widen (John); brother, John Hilsen; nephew, Rick Widen (Katie); nieces, Rachel Wixson (Reid) and Mari Widen; along with grandnieces and nephews, Daniel and Eva Wixson and Rosie and Jerry Widen; uncle, Lowell Hilsen; and several loving cousins. Andy dreamed of living in the Black Hills of South Dakota and was able to move to Hot Springs last July. She found peace there. The family thanks Grace Hospice for their kind and loving care. We would not have gotten through this without them. A private service celebrating Andy's life will be held later at Mount Olivet Lutheran Church. Memorials are requested to Grace Hospice, 1015 4th Ave. North, Suite 206, Minneapolis, MN 55405
