“ I was unable to attend Andy's remembrance in the park. However, we had a small ceremony at the VA Hospital and it was evident Andy was loved. I will always remember Andy's generous spirit and how good he was to the older Vets who came into the hospital. He had excellent customer service and he was always willing to help. I was a covid nurse and I don't think I would have gotten a bathroom break on the weekends, were it not for Andy. When Andy warmed up to you, he was really funny. I will miss Andy.
