“ *Andrew.. this has not felt real, and I keep wanting to wake up from this horrible dream.. but tomorrow is your service.. and I'm not ready to say goodbye. Im not emotionally ready for any of this. You were my big cousin.. when we were little, there wasn't a holiday, or a birthday were we weren't together as a family and knowing that I will never see your face again, or hear your goofy laugh.. breaks my heart. I wish you were here right now to give me one of your big hugs, because I need it. I will see you again.. one day, until then.. you and grandma watch over all of us, help us through this very hard time. I love you, forever your little cousin.. Alicia.*

“ Well My Beautiful Nephew Tomorrow is Coming way too Soon and every hour closer I feel sick so sick to my stomach... my heart hurts so much knowing I'm never gonna see you again or feel that arm across my shoulders and hear you say I love you auntie 😭😭😭 you had such a beautiful soul that so many people loved . You touched a lot of peoples lives and they will not forget that.. you really loved your family with that big heart of yours .. Always was the protector of your cousins also gave them advice even when they didn't want to listen but they stayed to listen because they love you .. that beautiful smile will live on in my memory forever .. I don't want tomorrow to come It makes it all to real ... Forever 33 is what you'll be... you'll fly like Jordan in the open sky .. Our Guardian Angel from above watch over us .. We love you so much Andrew .. but after tomorrow it's just not going to be the same 🙏😭🙏😭
