September 12, 1950 - July 18, 2022

Andrew Richard Kacheroski, Jr (Rick), of Minneapolis, MN passed away on Monday, July 18, 2022 at the age of 71.

Andrew worked as a machinist, a graduate of the Dunwoody Institute. He always prided himself on the quality, precision and specialized nature of the parts he created. Outside of work he loved his children, music, fishing, biking, hiking, road trips, word finds and his German Shepherd dogs. He was smart, funny, caring, loving and loyal, with an amazing resiliency. In tough times he remained positive and optimistic. He always bounced back.

He is survived by son, Andrew III (Stephanie); daughter, Krista; siblings, Sandy, Carol (Jim), Kathy (Dick), and Rob; grandchildren, Andrew IV and Blake; and many nieces and nephews.

A celebration of life will be held at a later date.
