

## Andrew Martin Kjos

October 17, 1990 - June 29, 2021

Kjos, Andrew M. Age 30, of Edina, passed away unexpectedly on June 29, 2021. He was born on October 17, 1990, and graduated from the University of St Thomas with a degree in computer science in 2012. Andrew enjoyed fishing, hunting, boating and photography. Traveling was a passion of his along with music, tennis, biking and especially computers and electronics. Andrew was employed as a Senior Business Systems Analyst at OptumRX Technology. Survived by parents, John and Susan; partner, Kirby, grandmother, Mary Ann Monk; aunts, uncles, cousins and many friends. Preceded in death by grandfather, Donald E. Monk, grandparents Martin and Evelyn Kjos, cousin Jennifer and aunt Kathy. Private interment and reception will be held at Lakewood Cemetery Garden Mausoleum to celebrate the bright and wonderful life of Andrew. Instead of flowers the family asks that you do something nice for someone unexpectedly and without explanation. We love you Andrew. He will be deeply missed by all. “ *John and family,  
So very sorry to hear this news. Prayers go out to the entire family  
and comfort in knowing the grace of God's presence.*

“ *Dear John and Susan, Even today, as I write this note to you, my  
eyes fill with tears. There is no greater pain than that which is  
caused by the loss of a child. Know you are in my prayers and know  
your grief will lessen over time. Take comfort in your many  
wonderful memories. God's comfort and peace to you. Cindy Kehoe*
