

## Andrew Philip McGlynn

November 5, 1951 - June 12, 2020

McGlynn, Andrew Philip is no longer a physical presence we can see, hear or hold on earth. He believes that he continues on in the multiverse. We like to believe that as well. During his 68 years he lived a life equal parts wild and kind. Preceded in death by his parents, Donald & JoAnn McGlynn, he is survived by his loving family and his wonderful friends. In lieu of flowers or donations, we ask that you gaze up at the stars or watch the birds or peel open a book or tuck in for a movie or turn on your favorite music or sip your favorite beverage or spend some time talking, laughing, listening, connecting with your loved ones. If you have memories or photos you'd like to share with his children Sahm and Raz McGlynn, please send them to 20 Merilane Ave, Edina MN 55436.
