“ *I was so very sorry to hear about your Father's passing, Marla. I want to thank you for taking the time with me, when you were going through such a difficult time.*

I met Andrew on my first day of work at T&Y. in Dec. of 1989.

Through the years, I felt that I was fortunate to get to know more of his wonderful personality. He was a very kind, soft spoken, and proud man. He also had a wonderful smile and sense of humor. I will never forget his infectious laugh! I learned later on that he liked to play the guitar, and I wish that I could have heard him play.

I missed seeing Andrew after I was gone from the workplace. One day, about a year ago---I spotted him inside of a store. I followed him through the aisles, until I caught up with him. It was so great to see him after about 4 yrs. Again, that wonderful smile. I will always remember his quiet strength, and kind Spirit.

*My thoughts and prayers are with you and all of your family, Marla.
Sincerely, Tara Brenneman*
