“ I only knew Andy a short time, but during the time that I knew Andy, he was a man with a kind, caring, giving & loving heart. Andy would always put everyone else's wants & needs before his own. I did not know Andy's children personally, but with how he would talk about them & how much he loved them, I felt as if I had known them for years, thank you Andy so very much for our friendship, be it a short time, it was a time that I will cherish forever, you have left a lasting impact on my life. Thank you my friend, may you Rest In Peace with God. Go Rest High On The Mountain

“ For the short time I knew Andy he had a big impact on my life.. That man sure spoke a lot about his 2 kids and how much he loved them.. Andy had a heart of gold and would do anything for anybody at the drop of a hat. For instance there was someone he heard talking from a distance how he was trying to save money so that he could get his phone fixed and without hesitation Andy pulled out all of the cash he had on him and said here you go now you're 20 closer and then Andy said just pay it forward with that Unforgettable/contagious smile of his.

One other time I locked my keys in my car visiting a friend in the hospital and without hesitation he says" I'll be right there to give you a ride to your house to get ur spare keys,. Andy didnt bat an eye it didn't bother him a bit and mind you it was an hour round trip and the two of us just laughed and joked the whole ride. (It was awesome) He was an amazing person the true definition of a friend. I and so many others that were lucky enough to know him are really going to miss him😞 Thanks again Andy till I c u again MY friend.
