Angel Kay Noska^[1]_{SEP} November 25, 1948 - May 24, 2025

Angel Kay Noska, age 76, of Big Lake, MN, passed away peacefully on May 24, 2025, surrounded by the love of her family.

Born in Minneapolis, MN, Angel was a devoted wife, mother, grandmother, and great-grandmother whose strength, warmth, and love touched everyone she met. She is survived by her husband, James Noska; her children Steve (Christine) Asch, Angel LaRose, Jeannie Churchill, Robert (Sarah) Noska, and Michelle (Nathan) Adams; 12 cherished grandchildren; and 4 great-grandchildren. She was preceded in death by her parents, Carlton and Irmaline Moody, and her siblings Betty (Harold) Torvik, Joan Copsey, Carlton Jr. (Beverly) Moody, and William (Leone) Moody.

Angel dedicated many years of her career to serving others through her work with the City of Brooklyn Center, Suburban Law Enforcement, the City of Crystal, and ultimately, Target Corporation. Outside of work, Angel found joy in the kitchen, baking sweet treats for her family and friends. Her greatest joy, though, was being present for her children and grandchildren-cheering at countless dance recitals, baseball games, and school events, always the loudest and proudest supporter in the crowd.

She was the very definition of a survivor-living courageously with type 1 diabetes for 72 years and overcoming breast cancer not once, but twice. Despite the challenges life threw her way, Angel remained endlessly kind, compassionate, and full of love. She made the world brighter with her generous spirit, quick wit, and signature splash of hot pink. Angel was rarely without a can of Coke tucked in her purse-a small but perfect symbol of her colorful personality and enduring energy.

Her legacy of love, resilience, and fierce devotion to family will live on in every person she touched.

In accordance with Angel's wishes, a private ceremony for close family and invited guests will be held on Wednesday, June 25 at 11:00 AM. All others who wish to honor and celebrate her life are warmly invited to join via live stream.
