Angela Suzanne Kiernan was born on September 19, 1969 in Minneapolis, MN and raised in Brook Park, MN on a farm where she enjoyed 4H, learning to play the piano and clarinet, and playing make-believe with her siblings. She attended Mora high school until 11th grade and was active in cheerleading, band, and choir before moving to Coon Rapids where she graduated in 1988. She and John Kiernan married in 1993 and welcomed their daughter in 1997. Angela took great pride in her career in the IT field, her most recent employer being Abbott Laboratories. Angela lived life to the fullest. She volunteered for many organizations, her favorite being Camp Odayin, a camp for children with heart disease. She filled her life with adventures and could make the most mundane activities into a party. Her most cherished role in life was being a mother. In 2014, Angela was diagnosed with breast cancer which eventually metastasized to her whole body. She fought with endless optimism, strength and faith. Her family was lucky to have her as such a loving mother, sister, aunt, and daughter.
