“ Angie-I will always remember her for her energy and smile. She was always making sure that all new swimmers to the HS team were welcome and had a positive experience. I have many memories of Angie and will cherish them dearly. The world has definitely lost an awesome person however we have now gained an inspirational guardian angel. I am thinking about all of you as you deal with this loss. May God Bless You and Guide You during this time.

“ Angie- the crazy captain of the Burnsville High School Girls Swim Team. Always the prankster with lively animated character, an ability to bring humor and joy to those long practices, and always a positive influence and role model on her teammates. She touched the lives of so many in a positive way, the true measure of a successful life.
We feel for the family in ways that words cannot adequately describe and are just so very sorry for your loss.
God Bless you all and may he wrap you in his arms of love.
